# DUROFLEX

*Our company manufactures items made from plastic foil, namely PP and PVC. Our product categories are office supplies, promotional items, packaging boxes, and special orders.*

*Our customer gets our full attention through all production stages, starting with the product design.*

*With 40 years of experience in our field, our design team knows how to deliver effective product forms that conform to the customer's draft.*

*Mockup samples and final printed samples are submitted for final approval. And our experienced staff takes care that quality is controlled through all production stages: printing, cutting, creasing, welding, and assembly.*

*The following catalogue presents a selection of our products.*

*We will be more than happy to discuss with you your requirements.*
